

Dear 9a,

we will meet online on **Thursday at 10** a.m. for group 2 and at **11** a.m. for group 1.

To prepare for our online session, please be able to explain at least 8 words from the vocabulary list that is in your book. The others then have to guess which word you are explaining. You'll get a point once your word was guessed correctly.

Example:

The word that I am describing stands for a very pleasant time in the year. It is usually very warm and some people go on vacation because there is no school during this time of the year.

If you have questions you can of course contact me by mail (lasse.moeller@schule-schwentinental.de) or phone (017648391008).
